Claire Alexander, a hit at Minden Hockey Banquet

The highlight of this year's Minden Minor Hockey Banquet, was guest speaker, Claire Alexander, defenceman for the Toronto Maple Leafs.

Looking in top notch condition and ready to step on the ice whenever his coach 'Red' Kelly gives the word, Alexander gave a brief autobiography on how he became a Leaf, to the interest and delight of the jam-packed Minden Community Centre. Both parents and hockey youngsters became involved with the question and answer period, with Alexander patiently answering all. For example: Player: 'What do the players think of Mr. Ballard always sounding off?'

Alexander: 'Paying a group of guys \$2.5 Million a year gives Mr. Ballard every right to sound off.'

Player: 'Will the N.H.L. and W.H.A. merge this year?'

Alexander: 'I don't think they will this year, but they could in the future.'

Player: 'Who is the toughest team you've played against since becoming a Leaf?'

Alexander: 'Montreal Cana-

diens.'

Parent: 'Who do you think will be coaching the Toronto Maple Leafs next season?'

Alexander: 'I'm sure Mr. Kelly will be back as coach.'

Player: 'Who is the best defenceman in the N.H.L.?'

Alexander: 'Borje Salming, with Larry Robinson of Canadiens the hardest hitter.'

After these and many, many more questions too numerous to mention, Alexander then proceeded to sign autographs and I'm sure by the line-ups that everyone of the 165 Minden Minor Hockey players all got his autograph, along with some parents.

The final chore Alexander was called upon to perform was to draw the winning ticket from the drum, for the Color T.V. set raffled by Minden Minor Hockey. The lucky fellow who won this beautiful set was Mr. Bud Manfield, of Kimmount, with ticket number 4264. Congratulations Bud, now you can watch the Blue Jay games in color all summer.

CAHA favors Face Guards

Minor league hockey players will be required to begin wearing face guards the season after the Canadian Standards Association approves a guard, the Canada Amateur Hockey Association decided on Wednesday.

At the urging of Cliffe Phillips of Newmarket, the CAHA's vice-president for minor hockey, the association's annual meeting reversed an earlier decision and called for mandatory use of the face guards for minor-league players. Senior and intermediate players won't be affected.

Phillips said 41 hockey players were declared medically blind after incidents in hockey games this season. The year before 57 eyes were blinded.

A variety of face guards are available, but use of them isn't mandatory. The meeting also decided to ban use of the football-style face guards.

Another Phillips intervention stopped an attempt to drop the automatic game misconduct for anyone assessed a major penalty for fighting.

The CAHA rules committee had recommended dropping the game misconduct for fighting and other penalties such as slashing, hooking or highsticking above the neck,

Phillips said two years ago the CAHA had felt a lot of public pressure to crack down on hockey violence. He urged the association to keep the misconduct for fighting and said the other infractions are covered by the deliberate attempt to injure rule.

The rule changes were among more than 100 presented to the CAHA annual meeting. Many were withdrawn or defeated after study by the rules committee.

Another rule requires all players not involved in a fight to go to the front of their benches or to a neutral zone designated by the referee. Goal-tenders must stay in their crease. This allows linesmen to concentrate on ending the fight that has started without worrying about another one breaking out among other players.

If the goaltender or any of the players doesn't follow the referee's instructions, he gets a game misconduct.

This rule change was started in Western Canada and is considered by some hockey officials to be a big step in reducing massive bench-emptying brawls.

This year's Annual CAHA meeting was held in Ottawa on Wednesday, May 25th.

National Coaching Development Program

'Practical'

Once a coach has taken both the Theory and Technical sections of the course, it is expected that he will apply what he has learned by actual on-the-scene coaching. It is suggested that the time required to satisfy this practical coaching period be determined by the Sport Governing Bodies. It is, however, hoped that the Sport Governing Bodies will monitor the progress of the coach during this practical period so that only worthy coaches proceed to the next level of the program.

The following are a few suggestions for determining the practical requirements: 1. Time periods should be established. Sport could consider the number of seasons required to coach prior to recommendation for certification at any level. 2. Sport Governing Bodies should determine the number of athletes to be coached (i.e. is it appropriate for a team's coach to coach two persons) Also

consideration should be given to the ability level of the athlete to be coached (i.e. Should a level III coach, for certification purposes, be responsible for coaching a senior team rather than a peewee?)

3. Evaluation of coaching performance can occur through various means. Some suggestions are through: observation, interview, game reports, questionnaires, and discussion with athletes.

4. Evaluation can be conducted by representatives from either; Club or Leagues, District Supervisors or Provincial representatives.

This should now give anyone interested in taking this N.C.D.P. Course, an insight into what this Program is all about. To date we have 28 people registered to take the Course at Carnarvon and there is room for 12 more coaches or managers or anyone interested in improving themselves in their particular sport. Once again, the Level I Course com-

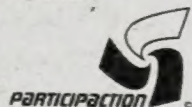

mences Sunday, May 29th at 7 p.m. until 11 p.m., 4 hours a night for four Sundays (June 5, 12th and 26th). This will probably be the last time this Level I Course will be in Haliburton County so if there are any more interested in taking this Course, please contact Cliff Burke at 286-1318 after 6 p.m. or 286-2481, immediately.

Cinti and Honeyford win coveted

Y.B.C.

Bursary title

akeview Bowl, Peterborough, Ont. - 46 male and 25 female youth bowlers who completed their career in the 5-pin division of the Youth Bowling Council (Y.B.C.) met in this city, known for its Trent Canal system to compete in the 4th annual Y.B.C. Bursary Tournament on Sunday, May 15th, 1977.

Sponsored by the Bowling Proprietor's Association of Ontario, the eight game total pinfall scratch event offered a total prize pool of over \$1,500 of which \$530 was in actual cash. The winners in both divisions won an all expense paid membership in the tournament division of the Master Bowlers Association of Ontario for the 1977-78 season, worth \$500 each.

Determining the ladies title turned out to be a one city battle between Kathy Cinti of Sportsman's Bowl and Marylynn Thompson of Sherwood Lanes in that both hail from Hamilton. After leading throughout the first six games, Marylynn had to settle for the runner-up spot (\$70) when she failed to match Kathy's late charge with games of 295 and 200 over the final two games.

Rounding out the money winners in the ladies division were Anita Tasca, Queensway Bowl, Toronto (\$45), Claudia Lista, Village Bowl, Mississauga (\$30), Donna Sippel, Waterloo Lanes, Waterloo (\$25), Linda Penty, Oaktown Bowl, Oakville (\$20) and Kelly Newell, Woodstock Bowlerama, Woodstock, Deenie Bratkin, Brampton bowl, Brampton and Sue Hutchison, West Park Bowl, Ottawa, all winning \$15 each.

Anyone of four men had a shot at the men's division title won by John Honeyford, of Ace Bowl, Scarborough with a score of 2089. Runner-up Jim Mystyk of Sherwood Lanes, Hamilton had a shot, but finished with 2039 (\$100) primarily on the strength of his 3 big games in the middle match. Chris Moore of Albion Bowl, Rexdale toyed with the title but found the going rough during the same span and had to settle for 3rd and \$65 with a score of 1965. Bill Grasby of Shea's Roll-A-Bowl, London on the other hand finished strongly with games of 255, 296 and 251 but it wasn't enough to challenge the leader. His

score of 1964 earned him 4th spot and \$40.

Rounding out the cash pool in the men's division were Bob Guertin, Aladdin Lanes, Ottawa (\$25), Sean Croke, Royal York Recreation, Etobicoke, (\$20) and Gary Boyles, Waterloo Lanes, Waterloo, Donald Lavis, Motor City Bowl, Oshawa, and Allen Villeneuve, West Park Bowl, Ottawa, who all earned \$15 each.

1977-78

M.M.H.

executive ,
largest ever

It appears that after the tremendous year Minden Minor Hockey had last year, they hope to top that performance next season.

The new executive for 1977-78, led once again by hard-working Ross Warburton as President and equally hard-working Leroy Nesbitt as Vice-President, both returned by acclamation, will sport both a Secretary, Mrs. Barb Allison and a treasurer, Mrs. Joan Warburton as well as fifteen Directors, more than double the amount that did such a tremendous job last season.

Joe Cox and Gene Newell, who were on the Board last year will be joined this coming season by Watson Yake, Joe Shapiera, Gary Chapman, Freida Cox, Stephanie Well, Dave Waite, Larry Card, Ron Smith, Ron Burk, June Beene, Ralph Young, Jerry Campbell and Don Mann.

Burning Rectal Itch Relieved In Minutes

Exclusive Healing Substance
Relieves Pain As It
Shrinks Hemorrhoids.

If you want satisfactory relief from 'itching piles'—here's good news. A renowned research laboratory has found a unique healing substance that promptly relieves the burning itch and pain—actually shrinks hemorrhoids. This substance has been shown to produce a most effective rate of healing.

In one case after another 'very striking improvement' was reported and verified. And most important... this improvement was maintained over a period of months.

All this was accomplished by a healing substance (Bio-Dyne)—which quickly helps heal injured cells and stimulate growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores—satisfaction or money refunded.

Preparation H

Wednesday Afternoon bowling Banquet

Linda Morrison receives award from President Ray Jenkins, (204 to 226 ave.). Ray makes a Trophy each year for the league.

Nora Parrish receives the 'Stamp' trophy for her team who won the League Championship with 128 points. Ray Jenkins presents trophy to Nora.

Shirley Hamilton is happy to receive her prize money for the High Single with Handicap of 313, from secretary, Ev. Stata. The League presented \$453 in point and prize money to the bowlers. Everyone received cash awards.

Alice LeFebvre shines at Provincial Finals

Waterloo, Ont. - 23 Ladies and 23 Men from across Ontario competed at the Provincial finals of the National Golden Age Bowlers Club, May 17th at Waterloo Bowling Lanes.

Having qualified in regional finals held throughout Ontario during the month of April, all competitors bowled 3 games to determine the 3 ladies and 3 men who, on a pins over average basis, will represent the province of Ontario at the National Finals.

Taking the spotlight of the competition was Alice LeFebvre of Quilles Ste. Anne, Sudbury, who compiled an amazing 3 game score of 780 (291-257-232) Or 228 pins over her league average. Second place was awarded to Marion Greer of Olympia Bowl, Cornwall, who checked in with a plus of 84 followed closely by Elizabeth Castle of Georgetown Bowl, Georgetown, who ended up with 82 pins over her average.

In the men's section, George Whittington of Royal York Recreation, Etobicoke, accumulated 139 pins over his average to win the division followed by Athol Snider of Skyview Lanes, Bolton, with a plus of 82. Complet-

ing the winners circle was Eland de Montmorency, of Mohawk Bowlerama, Brantford, with 63 pins over his average.

These six bowlers make up the nucleus of the mixed team to represent Ontario at the National Finals in Saskatoon, Sask., on June 28th and 29th, at which time they will compete against the provinces of British Columbia, Alberta, Saskatchewan and Manitoba for the National Title.

Back a fighter.

Easter Seals help crippled children.

Fun for everyone at Stanhope Fly-in

by

JIM MCLEAN

'Our biggest ever!' is the way the Stanhope Airport Committee is referring to their upcoming 1977 Spring Fly-in next Sunday, June 5th at Stanhope Municipal Airport.

'I'm not sure if it's the quality or quantity of beef from our barbeque, the Haliburton hospitality, or if Stanhope is just a fun place to fly into,' said Derek Rolfe, President of the Airport Committee, 'but each year since the Spring Fly-ins started nine years ago the crowd has grown by some 10 per cent on the average, and that includes the bad weather days.'

He pointed out that the growth in attendance was not just among the aviation enthusiasts who flew in. The turnout by county residents and cottagers has also increased dramatically over the years.

'We like to see more and more residents taking an interest in recreational flying activities,' Mr. Rolfe remarked, 'The Airport Committee has worked hard over the past few years to make Stanhope Airport one of the best of its kind in Ontario. We're not finished yet, but the committee feels that even now the airport is ready to offer an attractive alternative to traditional resort activities like water sports and horseback riding.'

Mainly because of the...

Committee member Pamela Rolfe who is in charge of catering for the day has her own ideas on the growing popularity of the Spring Fly-in.

'People might like flying,' she said, 'but they love eating - and we feed them well.'

Pam said the food program has changed this year to accommodate an anticipated 25 per cent increase in the number of airplanes expected to arrive and a corresponding increase in attendance from residents and cottagers.

'Over 150 pounds of succulent beef will be turning on the barbeque spits by 8 o'clock Sunday morning,' said Pam, 'and by noon the first slices will be served to the crowd of outdoor gourmets.' Committee member Les Northey feels the barbequing beef will offer an aromatic homing device for the 125 airplanes expected to be heading for Stanhope on Sunday morning. Elvin Johnson will be chief chuck chef for the day and will be helped by committee member Harry Davis, his wife Irene and by Cathy Wrightman.

In addition to the beef, Pam plans to have hot dogs available all day, and for other snacking, abundant supplies of melt-in-your-mouth donuts are being prepared by Stinson's at Hall's Lake. Top this off with lots of good coffee, assorted soft drinks and other goodies and everyone should be relaxed for the action program.

Professional Air Show

Posters posted around the county and at airports around the province proclaim a 70-minute Air Show as part of the fly-in attractions. Incidentally, the Airport Committee wishes to publicly thank committee member Ron Wrightman whose real estate firm generously supplemented the committee's budgeted supply of posters, so word of the fly-in could spread even further.

For the first time at Stanhope, the Air Show will be completely performed and co-ordinated professionally. Tom Young, head of Canadian Air Show Attractions of Peterborough is the co-ordinator and he will also be on the PA system while the show is in progress.

Meet the Candidates

The Air Show will be officially opened by MPP John Eakins at 1:30 p.m. He will be introduced by County Warden Robert Vick. Mr. Eakins had been invited and had accepted before the current election was launched, so this will not become an occasion for a campaign speech. In line with a policy of 'equal time' for electoral candidates, the committee invited Jim Webster to present prizes to the competition winners. He will be introduced by Stanhope Reeve Sinclair Nesbitt. To date the committee has been unable to reach the third candidate for the Victoria-Haliburton seat in order to invite him to participate in the day's activities.

Variety of Flying Action

Don Barnett of the Airport Committee is the Program Director for the Fly-in day. Don says that the show itself will feature action and variety with little or no lag between acts. The opener will be a first for Stanhope - a sailplane or, if you prefer, a glider. Bogdan Wolski of Peterborough, will be at the controls. A demonstration of helicopter versatility will be presented by Tony Brown in a Hughes 500. Peterborough's Bob Stevens will demonstrate the precision of remot-controlled flight with his radio-controlled model airplanes, and Wayne Foy will show the maneuverability of light, personal-type aircraft with an airbatic performance in a Bellanca Citabria (airbatic spelled backward).

Armed Forces Activity

The Canadian Armed Forces will be represented in the program by performing helicopters from 427 Squadron at Petawawa. These choppers do an intricate aerial ballet that's a treat to watch. In addition, a CAF Buffalo will display Short Take Off and Landing capabilities of large aircraft as part of the air show, then will be on static display and open to the public for inspection afterwards. As an extra treat for visiting and local pilots, the captain of the Buffalo, Lt.-Col. Simonson, plans to put on a new CAF flight safety slide briefing in one of the hangars.

The Buffalo participation in the Fly-in was arranged through Col. Neil Russell of Carnarvon, who is Deputy Commander of Air Transport Command at Trenton.

Sightseeing Flights

Visitors to the Fly-in might take the opportunity to see their home, cottage, lake or whatever from the air by enjoying a sightseeing flight with Air Haliburton, the commercial operator based at Stanhope. Committee member Jim McLean who is head of Air Haliburton says he will have aircraft available for rides from 8:30 in the morning until the last passenger leaves for the day - except when the runway is closed to traffic for the Air Show between 1:30 and 3:00 p.m.

Ground Attractions

As Fly-in Administrator, Louise Watson, Secretary of the Airport Committee, has also arranged for a variety of interesting static displays on the ground for visitors to browse around at their leisure.

Visiting and local pilots can arrange to have a miniature reproduction of their own airplanes carved in mahogany or other wood or plastic materials by Walter Cromwell of High Flight Miniatures of Madoc. Aircraft dealers will display some of their newest machines: Bellanca by Leggatt Aircraft, Beech by Field Aviation, Lake Amphibian by Townsend Air Services and Don Hood Insurance Agency will display its new Rockwell Commander. In addition, Carl Stoessinger of Allair Aviation Services of Mansfield, Ont. will display a variety of aviation parts and accessories.

Other attractions include the judging of classic and home-built airplanes that fly into Stanhope on Sunday. Judges will be Don Patrie of Eagle Lake and Paul Rolfe - both qualified appraisers. A display of two or three antique automobiles will feature a 1914 Model T Ford. And there will be a 50-50 draw from which the committee hopes some lucky winner will take home at least \$500.

Fire Protection

The Stanhope Volunteer Fire Dept. will be on watchful duty at the airport throughout the day. The Airport Committee hopes that the firemen will also be able to bring their popular Drop-in-the-Bucket act that was so popular at last year's fly-in.

It's the People

Committee Secretary Louise Watson emphasizes that the entire day is the result of the volunteer efforts of the members of the Airport Committee, their families and their friends.

'We are pleased' she said, 'that Stanhope has something different to offer its residents, visitors and neighbours in the way of a fun day. We're sure that everyone who comes enjoys it. But I think the people who do the work should get some credit at least.'

Some of the people Louise had in mind are Charlie Stover of Eagle Lake who will be in charge of Ground Operations for the day. Need gas? See Charlie. Then there's Stan Moore who will try to park 125 airplanes so they won't block the action and so that any one of them can get out at any time. Car parking will be under the watchful eye of Russell Bain who will relieve each driver of one dollar to park in the area reserved on the west side of Airport Road. But here's the best news: admission to the airport for the day is FREE.

MORTGAGE FUNDS AVAILABLE

I have Funds for Residential, Farm, Vacation and Commercial properties in your area.

I WILL BE IN MINDEN THE WEEK OF JUNE 6.

Please Write me at Box J, Care of The Minden Progress and I will contact you on my arrival.

New Business

Last Thursday marked the official opening of Minden's new Homestead Plumbing Store, one of ten such Stores to open officially across the Province. Above, Mrs. Hew-

son, wife of owner-operator John Hewson of the new business, attends a customer during last week's three-day opening. Other Homestead Plumbing warehouses to open

were at Barrie, Midland, Coldwater, Shelburne, Huntsville, Schomberg, Torrance, Burks Falls and Collingwood. The Homestead Plumbing store offers a broad range of quality products

to help the do-it-yourselfers. Proprietor, John Hewson, also owns land Plumbing Ltd., and will operate both outlets out of the Homestead Plumbing Store on the Main St. of Minden.

PRINCIPLES

1. Freedom can be sustained only in a society without discrimination based on race, colour, sex or creed. It can best be preserved in a society committed to justice and the rule of law and to democratic institutions based upon the British Parliamentary System.
2. Fairness and equality of opportunity can be guaranteed only by a government prepared to ensure that power is not used unfairly by any group in society, including government itself.
3. Real freedom can be achieved and maintained only when government is prepared to limit its own growth, power and costs.
4. The strength, prosperity and unity of all Canada is vital to the future well-being of all the people of Ontario. The preservation of that unity is Ontario's primary national goal.
5. In a fair and free society, government must delineate and protect the following rights of the individual:
 - a. The right to build a secure future for one's self and one's family.
 - b. The right to seek and earn fair wages.
 - c. The right to seek and earn fair profits and fees.
 - d. The right to work in peace and safety.
 - e. The right to be protected from unfair or unlawful practices in the market place or the labour force.
 - f. The right to a fair and equitable tax system.
 - g. The right to pursue personal fulfillment, growth and self-improvement.

COMMITMENTS

The Progressive Conservative Government of Ontario affirms its commitment to each of the following tasks.

1. A commitment to a target of one hundred thousand new jobs each year for the next decade.
2. A commitment to the continued security of food-supply for all Ontarians. This is to be achieved through: the preservation of farmland; increased per-acre production; effective marketing of surplus agricultural exports and continued support for the farming community.
3. A commitment to a target of 900,000 housing starts over the next ten years in Ontario.

A Charter for Ontario

DEDICATION

WE LIVE IN CHANGING TIMES. ALL ABOUT US, THROUGHOUT CANADA AND THE WORLD, STANDARDS AND VALUES THAT HAVE STOOD UNQUESTIONED FOR A HUNDRED YEARS ARE IN JEOPARDY. AT THIS POINT IN OUR HISTORY, WHEN CONFIDENCE IN OUR FUTURE IS MORE IMPORTANT THAN EVER BEFORE, I COMMIT THE ONTARIO PROGRESSIVE CONSERVATIVE PARTY TO THE FOLLOWING PRINCIPLES AND OBJECTIVES. UNDER A PROGRESSIVE CONSERVATIVE GOVERNMENT, THESE COMMITMENTS, WHICH FORM PART OF A DYNAMIC PROGRAM OF ACTION, WILL GIVE EACH PERSON IN ONTARIO THE ASSURANCE WITHIN WHICH TO SHAPE HIS OR HER PERSONAL DESTINY.

William G. Davis

4. A commitment to reducing the municipal tax burden on senior citizens, and to work towards the ultimate elimination of this particular tax for the majority of Ontario's senior citizens.
5. A commitment to reducing unnecessary waste in all social spending to ensure that the truly needy and those who serve them get adequate and fair support.
6. A commitment to continue the battle against inflation while providing the private sector with opportunity and example for job creation.
7. A commitment to replacing at least two trees for every one harvested henceforth in Ontario, and to regenerating every acre harvested.
8. A commitment to increasing the sale of Ontario goods and services outside Canada by 5% a year.

9. A commitment to containing the size and expense of government in Ontario, resulting in a balanced budget by 1981.
10. A commitment to maintaining the highest quality of health and hospital services, based on a system which allows individuals to work together with their own doctors for their own health and well-being.
11. A commitment to preserve an educational system of high quality, with accessibility to higher education based upon individual choice and individual merit.
12. A commitment to the value of municipal government in the democratic structure of Ontario society.
13. A commitment to balanced growth and development in the North, so as to make prosperity, social and cultural advancement equally available to the citizens of Northern Ontario.

14. A commitment to the pursuit of excellence in the fields of industry, technology, management and collective bargaining so that all Ontarians may share in the collective pride and self-confidence that stems from living in an environment of progress and achievement.

15. A commitment to fair profit as the prime encouragement for individual wage-earners, professionals, entrepreneurs, investors and industries to help Ontario grow, along with a commitment to encourage the growth of the small business sector of our economy.

16. A commitment to reducing work stoppages and slowdowns through more advanced labour-management negotiations and through the outlawing of strikes and lockouts in such sectors of the economy as provincial government services.

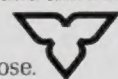

AFFIRMATION

We affirm that the Progressive Conservative Government will uphold these principles and commitments as a guarantee of personal freedom, economic security, and stability in Ontario. We affirm our belief that social justice for all can be assured only through dedication to high quality programs of health and education that serve all with competence, equity, effectiveness and affordability.

To this end:

- Health systems must allow doctors and patients to work together to prevent, treat and cure disease.
- Education programs must promote basic competence in basic skills as a prerequisite to the advancement of all.
- Opportunity must be maintained for all who legitimately seek greater participation—such as native peoples, women, the handicapped—so that all in Ontario share as a common heritage the right to pursue personal fulfillment through their own effort, initiative, commitment and self-reliance.

We affirm that every citizen of Ontario shares a common right to self-advancement, to balanced and stable government, to freedom, justice, equity and security as residents of a great province which has a key role to play in advancing the interests of a great nation. To these principles, commitments and affirmations I dedicate my Party in the service of every man, woman and child of our province in a spirit of faith, trust and common purpose.

What this Charter means to you.

"The policies and commitments in this Charter grew out of my New Year's message as amplified in our Throne Speech and recent Budget. It describes

how a Progressive Conservative Government will lead Ontario in the years immediately ahead.

I believe it reflects an understanding of the way

of life and the human needs and aspirations of people throughout this Province. It provides a plan to keep Ontario strong and dynamic—a place in which the need to preserve the best of the past is balanced with the need for future growth.

The Progressive Conservative Party is committed to these goals. I ask you to join with me in translating this Charter into action by voting Progressive Conservative on June 9th."

William Davis, Premier.

Your future. Your choice.
